*Make the most of the moment.*

# *Make the most of the moment.*

Mention the word 'airport' and images of travelling, holidays and relaxing in exotic destinations come to mind. It also brings to mind patiently waiting at the gate before boarding your aircraft.

But Adelaide Airport's T1 is so much more than an airport terminal. There is a vast array of things to do and see before your flight.

It's the perfect opportunity to make the most of the moment and find a collection of iconic South Australian brands rubbing shoulders with some of Australia's best-known stores. From beer to boots, cosmetics to chocolate, gourmet foods to great wines, you'll find the best that South Australia offers all in one place.

You can choose from an array of shops, cafés and bars, and experience quality shopping for gifts, souvenirs or the perfect treat for yourself. You'll enjoy world-class service, and discover new places to relax and enjoy your time, whether it's before or after a flight or while you're waiting to meet someone.

Within these pages, you'll find a guide to all of these experiences and more. That's why we say next time you're at T1, make the most of the moment.

# NEW RULES FOR TAKING LIQUIDS, AEROSOLS AND GELS THROUGH SECURITY ONTO INTERNATIONAL FLIGHTS

Size about 20 x 20cm

## Rules in effect from 31 March 2007

Security is our priority. These new rules are needed to protect you from the threat of liquid explosives and apply to flights to and from Australia.

Each container of liquids, aerosols and gels in your carry-on baggage must be 100 millilitres or less. All the containers must be sealed in a transparent, one-litre plastic bag. You are only allowed one bag. Any resealable bag of one litre capacity or less is allowed.

You may still carry on board prescription medicines. Baby products and non-prescription medicines that you need for the flight are also allowed. At Adelaide Airport you will be able to collect items like duty free and purchase items like drinks once you have entered the International Departure Gate Lounge.

Please prepare your plastic bag before you check-in. You will then have time to put any containers that are too big into your check-in baggage.

### BEFORE CHECK-IN

Are your liquids, aerosols and gels 100ml or less?

- Liquids, aerosols and gels include items such as drinks, creams, perfumes, sprays, gels, toothpaste, lipstick, lip balm and similar substances.

NO

YES

### CHECK-IN

If the items are greater than 100ml, place them in your check-in baggage

There are no new restrictions on what you can pack into your check-in baggage.

### CARRY-ON

About 20 x 20cm

If you want to take items through the screening point make sure:

- Each item is 100ml or less
- All items fit in a transparent, one-litre bag
- The bag is sealed
- Only one bag per person is allowed.

### SECURITY

- Proceed through initial screening point to the International Departures Entry Point
- Present this bag with your other carry-on baggage for inspection
- You may be also subject to a random frisk search.
